- CYNTHIA** A pink glad, about the color of a wild rose beautifully shaded with deeper pink—a yellow throat giving her the effect of having been “moon struck.” A tall straight spike, quite large, well arranged florets slightly ruffled, many open at a time—a good keeper as a cut flower. Each \$ 3.00
(1927)
(Mrs. M. G. Ellis)
- LADY MACBETH** Large, scarlet florets with two large white blotches in throat having a thin dark red line running through the center of each. Many florets open at once—good spike—very striking, Each \$ 3.00
(1927)
(Mrs. M. G. Ellis)
- BENGAL BEAUTY** This is a cross between Bengal Tiger and Golden Measure. The spike is tall and strong like Golden Measure, but has more the color of Bengal Tiger, only more brilliant markings and more gold in it. The color does not fade before the florets wilt. It attracts much attention, Each \$ 3.00
(1927)
(Mrs. M. G. Ellis)
- OREGON QUEEN** Clear cream with yellow throat. Tall graceful spike — large wide open florets, seven or more open at a time. This glad resembles a spike of lovely lilies. Each \$ 5.00
